Cinema Passos Manuel (<https://bit.ly/3A6731A>)

The Event by Sergei Loznitsa (followed by Q&A with Carlos Natálio).

A quarter of a century later, Sergei Loznitsa revisits the dramatic moments of August 1991 and casts an eye on the event which was hailed worldwide as the birth of "Russian democracy". What really happened in Russia in August 1991? What was the driving force behind the crowds on the Palace Square in Leningrad? What exactly are we witnessing: the collapse or the regime or its' creative re-branding? Who are these people looking at the camera: victors or victims?
